## SRS LEGAL ADVISES INDICO CAPITAL PARTNERS' INVESTMENT IN ROWS

SRS Legal has advised Indico Capital Partners - through Indico R&D fund - in its investment in Rows, an Artificial Intelligence powered spreadsheet platform.

SRS Legal team was led by [Paulo Bandeira](#) (Partner) and [Solange Fernandes](#) (Associate), from the Startups Practice Area. Paulo Bandeira emphasised the complexity of the transaction, as it is multi-jurisdictional and involves the combination of legal solutions and instruments in Germany and Portugal.

Rows, which raised eight million euros in this round, supports all the functionality from *Excel* and *Sheets* programs alongside its own layout.

This is the first investment from the new Indico R&D Fund, a 70 million euros fund that has a particular focus on Portuguese technology companies, preferably certified by the National Innovation Agency (*Agência Nacional da Inovação*), with an investment of up to five million euros per company.

This year, SRS Legal has already communicated its advisement to the [Bridges Fund Management on the sale of Fitness Hut gyms](#), to [Krones AG on an investment in Perfinox](#) and to [Primetag on an investment round](#).
